

# Johannes Bauer

Age 19    Vienna    Environment Artist

As an environment artist I design worlds the observer can explore.

I use my drawing tablet everyday even when I travel by train.

Communication is very important when working with other artists.

+ Productivity.    + Workflow.    - Waiting.

Age 32    Netherlands

Traditional Artist

I am an artist working with traditional media.

For my work I need lots of space and professional equipment.

I rarely collaborate with other artists.

+ Perfectionism.    - Complexity.
